# **Lead Worshiper 101:**

## Lesson 0: The Introduction

# What you'll learn in this class...

You're going to learn your role as a *lead worshiper*.

# What you'll learn in this class...

You're going to learn *why preparation matters.*

# What you'll learn in this class...

How to prepare—not just musically, but *spiritually* as well.

# What you'll learn in this class...

We're going to talk about the ***songs*** you use.

**What you'll learn in this class...**

How we *lead visually* from the platform

*Techs:* please don't tune out this lesson.

You have a unique vantage point to help the platform team. Since you see them, you can encourage the team to be more expressive.
